

Merry Christmas!

Wow, another year is coming to a close. We think often of the hundreds of people who have come through our doors this past year and wonder how you are managing with maintaining or continuing to lose weight. We know some of you are doing a fantastic job, but others have found the journey to good health more difficult.

Regardless of where you are in the process, we want to encourage you to continue. We have put up a Christmas tree with presents attached, so that any existing patient who wishes to purchase lipos or HCG or phentermine may take a present and see what gift they get with their purchase. We have free counseling, lipos, protein drinks and 2 complete HCG packages on the gift list!

So come on in and get your present with your next purchase. We will be giving gifts away until December 20, 2018!

May you all have a wonderful Christmas with your family and friends.

God Bless,

Annette Neumann, D.O.
